

CERTIFICATE

CONCERNING FACTORY PRODUCTION CONTROL ACCORDING TO DIN EN 10088-5:2009, ANNEX ZA

The Certification Body for Structural Metallic Products of TÜV NORD Systems GmbH & Co. KG hereby confirms in accordance with the Regulation (EU) Number 305/2011 of 09 March 2011 that the company

Laxcon Steels Ltd.
Plot No. 235, Sarkhej – Bavla N.H.-8-A Village: Sari
Tal: Sanand, District: Ahmedabad, Gujarat, India

has been certified with their construction product

**bars, rods, sections and bright products
of corrosion resistant steels**

**according to DIN EN 10088-5:2009
- for detailed list see page 2 –**

which was subject to an initial inspection of the products by the manufacturer and that the construction product is subjected to a continuous factory production control.

The Notified Body conducted an initial inspection of the plant and of the factory production control and performs continuous monitoring and conformity assessment of the factory production control.
(Conformity Certification Procedure: System 2+)

Certificate No.: 0045-CPR-1414

Year of initial inspection: 2014

This certificate has been issued in accordance with the Construction Products Regulation and is valid provided the provisions of the harmonised technical specification indicated are complied with and the manufacturing conditions in the plant or the factory production control are not modified to a major degree.

Hamburg, 23. 06. 2014
